

Ualléa

Verbonden met Leefdaal

Ualléa

In de vallei van de Voer ontvouwt Leefdaal zich tussen velden en zachte hellingen. Het dorp ligt ingebed in het landschap, waar open ruimte en groen het uitzicht bepalen.

In Leefdaal woon je dorps, met de natuur op wandelafstand.
Paden lopen door de vallei langs velden en bosranden.

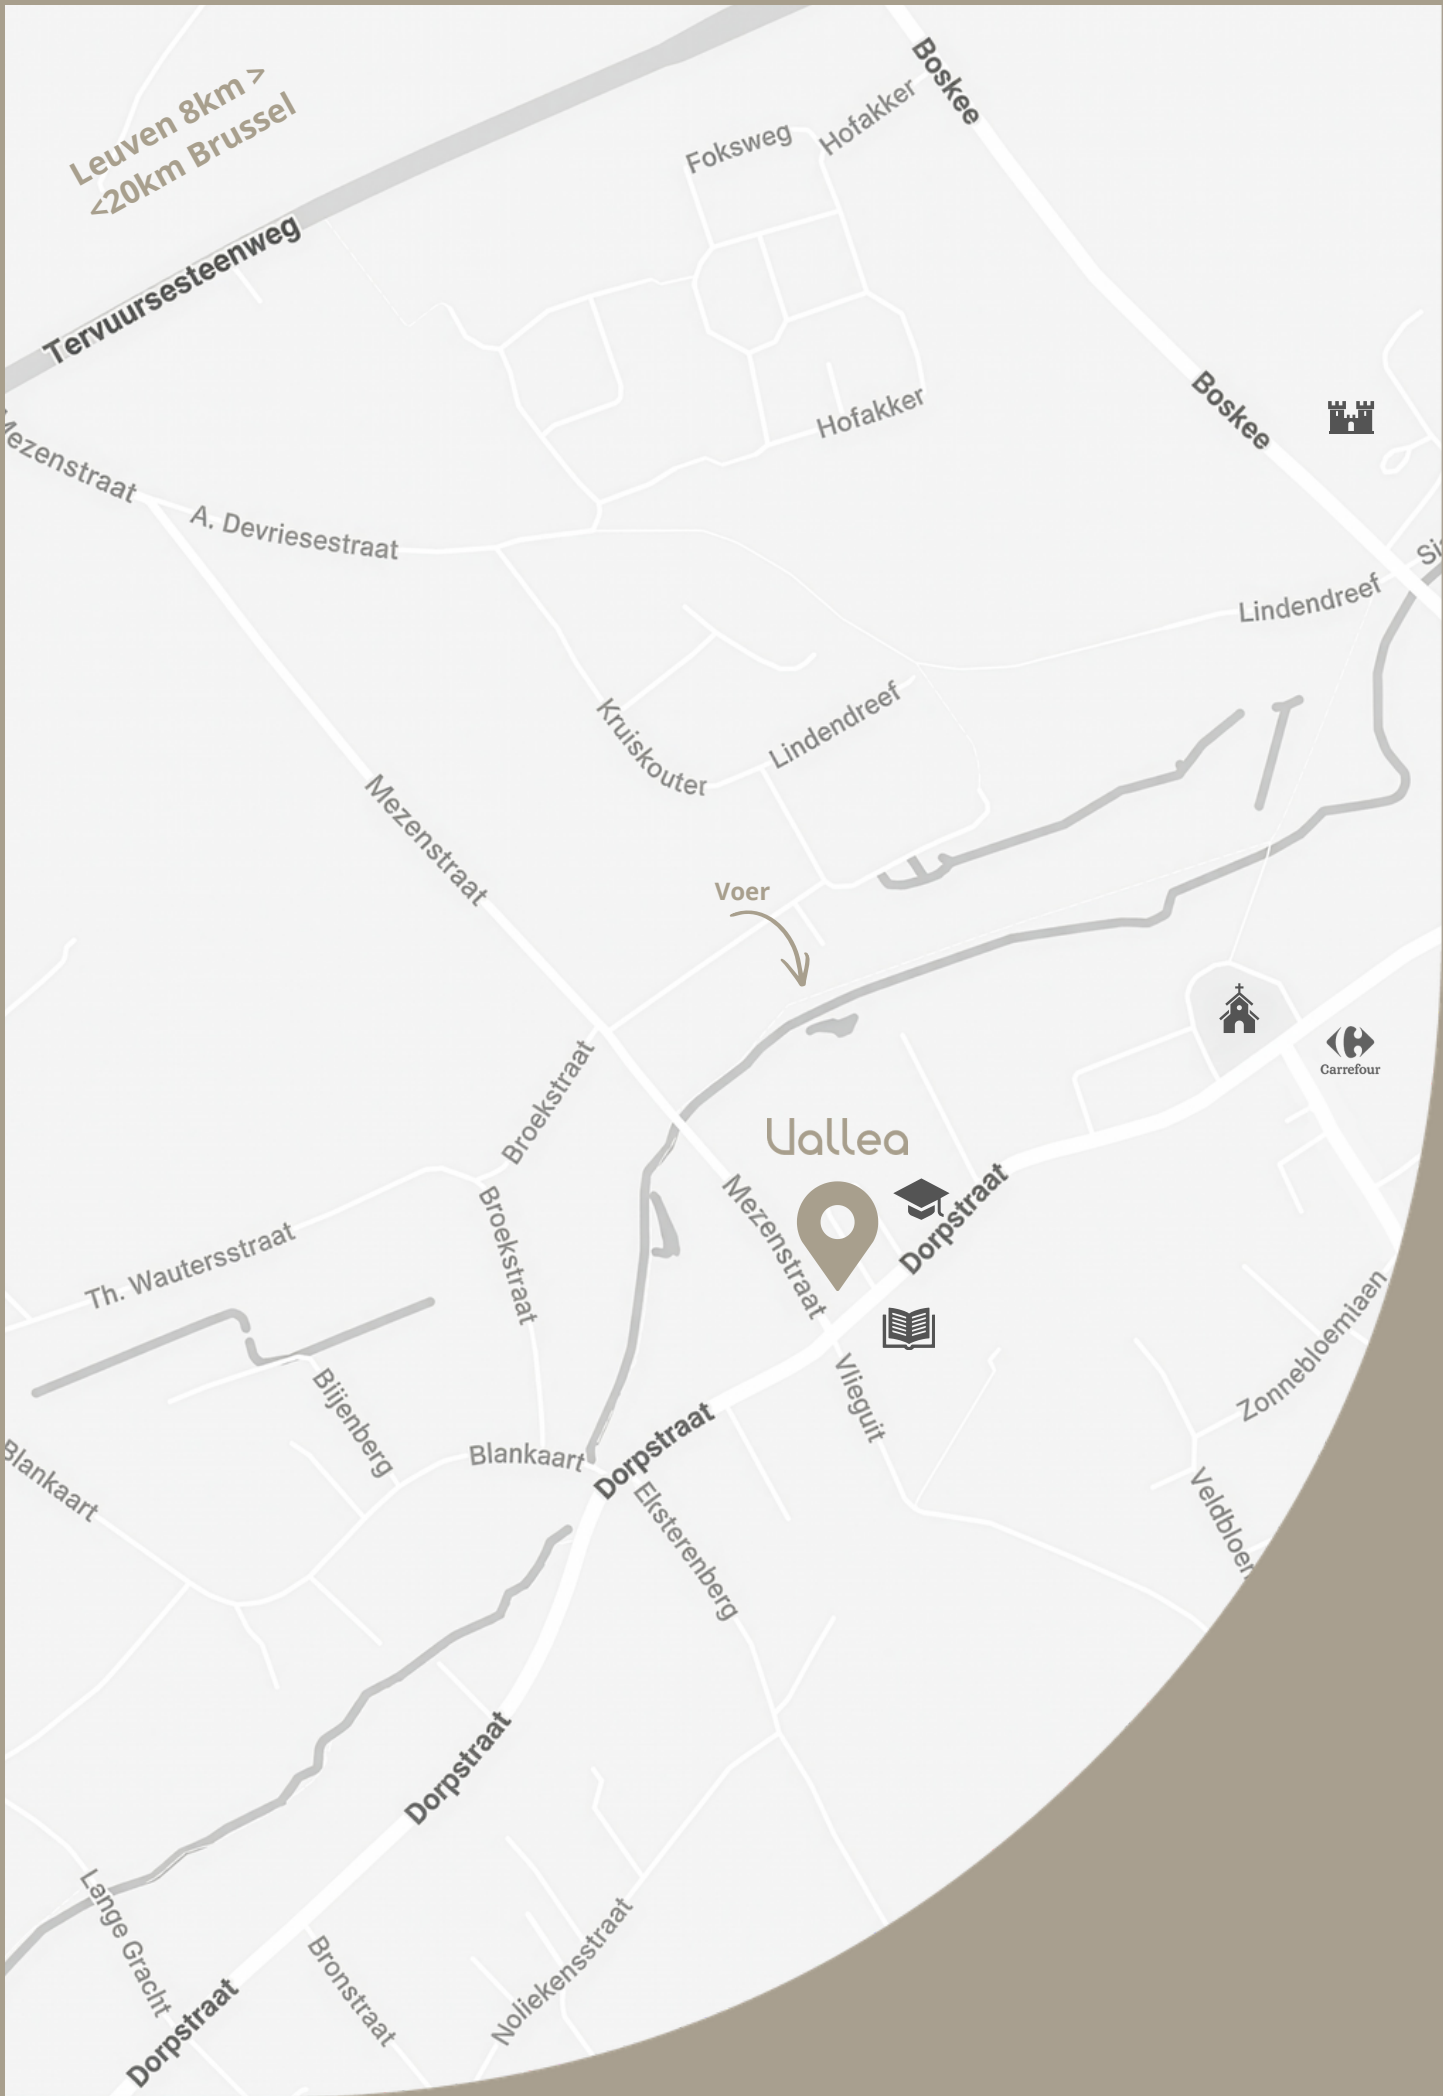

In Valléea ervaar je dat landschap elke dag opnieuw. Grote raampartijen brengen licht en openen het uitzicht naar velden, bos en het nieuwe park.

Hier komen natuur en dorpsleven samen.
Een groene oase tussen Brussel en Leuven.

In Valléea woon je verbonden met landschap en gemeenschap.
Verbonden met Leefdaal.

Op slechts 8 km van Leuven en 20 km van Brussel combineert deze locatie rust met bereikbaarheid. Belangrijke verbindingswegen liggen dichtbij, zonder het dorpskarakter te verstoren.

Met de afbraak van de achterliggende sporthal openen zich vergezichten over het toekomstige park en richting de vallei.

Het project omvat 21 appartementen, verdeeld over drie gebouwen van telkens zeven wooneenheden. Deze kleinschalige opbouw zorgt voor een overzichtelijke schaal en een aangename woonbeleving.

Ondergronds bevinden zich twee gemeenschappelijke niveaus met 47 parkeerplaatsen en 21 individuele bergingen. Alle appartementen zijn rechtstreeks bereikbaar vanuit de parking

In Vallée woon je met het oog op de toekomst.

Het project wordt uitgerust met 74 zonnepanelen en energiezuinige installaties die het energieverbruik aanzienlijk beperken.

Zo geniet je van een comfortabele woonomgeving met lage energiekosten.

Duurzaam wonen, vandaag én morgen.

The site plan illustrates the proposed 100-unit apartment building at 1000 West 10th Street, Seattle. The building footprint is shown in a light gray color, with a central core area highlighted in red. The plan includes detailed landscaping with various tree and shrub symbols. Surrounding streets are labeled: West 10th Street to the north, West 9th Street to the south, and West 11th Street to the east. A north arrow is positioned in the bottom right corner of the plan.
